IN CONCERT

Friends of Hidden Valley,

I want to let you know that on Friday, May 14th at 8:00 pm, the wonderful international pianist, Jura Margulis will be

celebrating his 50th birthday by presenting a concert at Hidden Valley. We have presented him several times in the past 10 years and audiences have been thrilled with his brilliant artistry. Jura and his extended family are gathering in Carmel for his celebration and we are thrilled he chose to offer this benefit concert to Hidden Valley.

Jura will perform the works of Schumann and Chopin and will join with all of us for a reception (probably including some birthday cake) following the concert.

Please call (831) 659-3115 for credit card reservations at \$20.00 each.

See you on the 14th.
